

How to Claim

Please call us immediately if you suffer a loss on 01536 303310 or email us at info@hallsdale.co.uk and we will advise you on the appropriate course of action.

If it's out of hours, please advise your usual contact at Hallsdales on their mobile phones.

If you know your insurer, you can also use their emergency helplines. It is a good idea to check your documentation and have your policy number available, when reporting an incident.
